# Activities

## Summer Quarter 2026

### April

In April we made cars with twinkies and peeps! We also enjoyed the first couple of warm days on the porch

### May

Our highlite in May was hearing the Sanborn Christina kids came and played for us. We also enjoyed making our own boquets for Mother's Day

### June

Along with many activities outside we also enjoyed time with one of the nurses kittens. They were so soft!
